History & Legacy

ABOUT US

National Homoeo Laboratory, over seven decade old Homoeopathic medicine manufacturing company is a popular name among the Homoeopathic physicians, distributors, other companies & the consumers. The company excels in preparing the Mother Tincture & Potentised Dilutions - the two main constituents of Homoeopathic medicines & these products of the company are considered to be one of the best in India. With a long experience in this business, the products of this company attain an unparalleled quality.

QUALITY CONTROL

With the traditional Hahnemannian process of medicine manufacturing mixed with the researches of the company - provides in India, World class Homoeopathic medicines. The Quality control team of the company ensures that the products meet the 'World Standard'. The company does not compromise with the quality control - the entire factory area is dust free with Class A Air Handling Unit, automated machines in required places & strict safely measures in the parts, where works are carried out manually.

PAST & THE PRESENT

It all started seven decades back, with one man in a small room in a Kolkata by-lane. Late Mr Usha Ranjan Sinha Roy started manufacturing Homoeopathic Globules in the late 1950s. That small arrangement has flourished as one of the finest companies in India under the accomplished leadership of Late Mr Ranjit Sinha Roy [son of Late Usha Ranjan Sinha Roy] & its current head Mr Biswajit Sinha Roy [son of Late Ranjit Sinha Roy].

Late Mr. Usha Ranjan Sinha Roy

Late Mr. Ranjit Singha Roy

Mr Biswajit Sinha Roy

CERTIFICATIONS

National has the certification of ISO 9001:2000. They have also acquired the GMP certificate - the ultimate quality standard in medicine. The company organises Homoeopathic Doctor's conference at different venues for the betterment of homoeopathic practices & research.
